light beam

Rotate 270  
° left and  
right

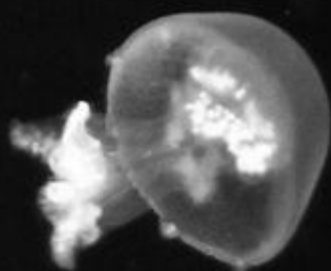

The background of the entire page is a dark, black space filled with numerous small, white, star-like specks, resembling a deep-sea environment. Several large, out-of-focus, glowing white shapes are scattered across the frame, which are clearly jellyfish. They have a soft, ethereal glow and are positioned at various depths and angles, creating a sense of movement and depth. The overall mood is mysterious and serene.

水母  
**JELLYFISH**

深海的点点微光  
是生命冲破寂静的温暖力量

The glimmer of the deep sea,  
It is the warm power of life to break through silence.

凝光
